Online Textbook List

Notes:

1. All required textbooks are listed below unless digital copies are offered at no cost through the HLGU library. These works are listed on course syllabi.

2. If a course has no required textbooks, this is communicated below.

3. If a course requires courseware (specific software that you must access in addition to a classic textbook), it includes the note: See document "Purchasing Courseware for Classes." This document is listed on the HLGU textbook page beneath the online textbook list. Note: You must purchase the exact ISBN number for courseware or you will not be able to complete the course.

4. Instructions for ordering lab kits are included in course syllabi and announcements sent out in the weeks leading up to course launch. Lab kits may take several weeks to arrive so make sure to order them in advance.

5. Assignments are designed around specific editions of a textbook. If you purchase an earlier edition, you may not be able to accurately complete assignments.
