Student Services

Student Government Association

Hannibal-LaGrange College maintains a Student Government Association whose purpose is to serve as the official representative of the student body, to promote the welfare of the student body, to determine the collective will of the student body, and to maintain communication between the student body and the administration. Elected officers include a president, vice president, secretary, and treasurer. The presidents and three elected representatives from each class also serve on the legislative branch of the SGA.

Orientation for New Students

All new full-time students are required at the beginning of their first semester to attend an orientation program that is designed to acquaint them with college policies, registration, student services, student activities, and college life.

Academic Advisement

Upon admittance to the college, the Registrar will assign each full-time student a faculty adviser. Part-time students will be assigned an adviser upon request. Advisers will be selected on the basis of a declared interest or major.

During the fall and spring early registration periods (see Academic Calendar), students will meet with their faculty advisers. Students should come to this meeting with a list of courses to be taken during the targeted semester/terms. Spring early registration includes enrollment for summer school (May, June, and July terms) and for fall and spring semesters. Faculty advisers will examine the selection of courses brought in by their advisees and give helpful advice.

Students are responsible to report to the Registrar whenever they declare or change a major, in order to be assigned a faculty adviser within that major area.

Counseling

Personal nonacademic counseling is available. Students are invited to make an appointment with the Associate Dean of Residential Life or with the Dean of Student Development.

Financial Assistance

The Director of Financial Aid is responsible for the counseling of students who need financial assistance. The types of assistance available are outlined in this catalog under the **Financial Information** section.

Healthcare Services

Medical care is available at the Hannibal Ambulatory Care Clinic (ACC)—east end of the Hannibal Clinic, which is located near the Hannibal Regional Hospital. To reach ACC, go West on U.S. 36; take Shinn Lane Exit; turn left at stop sign at overpass. Turn right at second right-hand turn (Hospital Drive). Then turn right, into the ACC parking area. Telephone: 573/248-3333.

Health Insurance

All full-time students (residing on or off campus) are *required* to be medically insured and to have on file a photocopy of their current health insurance card issued by a recognized health insurance provider. Health insurance will be provided for those students who do not have proof of being insured; the cost for this insurance will be charged to their accounts.

Employment Opportunities

Part-time employment in Hannibal and on campus is available. To obtain information about off-campus employment opportunities, students should contact the Career Services Office. This office will also assist students seeking Federal Work-Study jobs; however, the Financial Aid Office determines a student's eligibility for Work-Study. The Christian Studies Division Office handles placement of supply preachers.

Retention and Career Services Office

The Retention and Career Services Office, located on the second floor of the Administration Building, offers assistance to students who enter college without sufficient knowledge of career options and related academic majors. Students will also find helpful advice in preparing resumes and sharpening their interviewing skills in preparation for the job search process.

This office contains informational materials on national, state, and area employers and on graduate schools and military service. The availability of a computer lab in this office provides access to the World Wide Web. Memberships with consortia such as Gateway Career Services Association and MOJOE allow for the exchange of information and services.

Students are encouraged to register with this office before graduation.

Student Center

The Student Center includes the following facilities that are located on the first floor of the Administration Building: Book Nook, Snack Shack, student mailboxes, offices, and a quiet lounge.

Campus Bookstore

The HLG Book Nook, located in the Student Center, stocks textbooks, reference materials, office supplies, personal and gift items, and casual clothing with the HLG logo. Students may access the Book Nook through the Internet at www.hlg.edu, under Student Life, for general information on the purchasing and returning of textbooks.

Mail Service

Mailboxes for full-time students are located between Central Receiving and the Snack Shack. Because part-time students receive correspondence from the college at their homes, it is imperative that they keep their home addresses up to date on their campus records in the Registrar's Office.

Motor Vehicles

Students are permitted to have automobiles and other licensed motorized vehicles on campus. All vehicles belonging to full-time, part-time, and evening students must be properly registered at the time of enrollment. The college will not register vehicles that are not covered with liability insurance. The parking permit fee is \$25 per semester and \$25 for all summer.

Students operating vehicles are expected to observe campus traffic and parking regulations. Violators will be ticketed and fined. A map showing designated parking areas may be obtained from the Office of Student Development.

Weather-Related School Closings

In situations where inclement weather may affect the normal operation of HLG, students may check the college website homepage (www.hlg.edu) or call the campus switchboard for recorded messages. Also radio or television announcements may be heard on stations listed below. The college will try to have this information on the air between 6 and 6:30 a.m. for daytime classes and between 4:30 and 5 p.m. for evening classes.

Student Housing

Residence Hall Requirement

Single students. Single students who are under 21 years of age at the beginning of the semester for which they enroll and who are not living with a parent or guardian are required to live in a dormitory unless they are living with one of the following relatives: grandmother,

grandfather, married aunt, married uncle, married brother, or married sister. Single students age 21 and older who choose to live off-campus independently, apart from parents, grandparents, a married aunt or uncle, or a married sibling, *will not be eligible* for performance, athletic, or denominational scholarships. International students are required to live in campus housing.

Deposit. A housing deposit is required in order to reserve a dormitory room. Students are encouraged to send this deposit to the Office of Admissions at the time they apply for admission to the college. Additional information about residence hall living may be obtained by contacting the Office of Admissions or the Office of Student Development.

Age limit. Residential housing at Hannibal-LaGrange College is intended for full-time student between the ages of 17 and 26. An exception to this maximum age policy would be those students who are recruited by the institution to represent the institution in athletic or performance activities. A younger or older student may petition the Admissions Committee for a possible exception, but exceptions for those over the maximum age will depend on housing availability.

Student Life Guidelines

Standards of Conduct

Hannibal-LaGrange College is a Christian institution in accord with the ideals of its founders and supporters. Regulations adopted by the Board of Trustees, upheld by the faculty and administration, and endorsed by the student body, are designed to maintain these ideals.

Students are expected to cooperate in the promotion of high moral ideals and are held responsible for the standards relating to student life as outlined in the Student Handbook, where a full discussion of the policies and regulations may be found. HLG does not sponsor social dances on or off campus. The standards for dress, as listed in the Student Handbook under POLICIES & REGULATIONS—*APPEARANCE*, are to be observed.

Standard of sexual conduct. Hannibal-LaGrange College upholds the traditional biblical view that it is God's intent that heterosexual union is the only acceptable expression of sexuality and must be reserved for marriage. This expression of a self-giving love is viewed as a gift from God. All members of the college community should abstain from behavior which may lead to a violation of God's standards on sexual activities. Misuses of God's gift will be understood to include, but will not be limited to, sexual abuse, sexual harassment, sexual assault, incest, adultery, fornication, and homosexual acts.

Discipline

When students fail to honor the policies and regulations of the college, or when students interfere in any way with the college's responsibilities to other members of the academic community, the college will take appropriate disciplinary measures. These measures may or may not include probation, suspension, or dismissal. Students who are placed on probation or suspension or who have been dismissed may appeal by following the procedures as outlined in the Student Handbook.

Spiritual Life and Activities

Since the college is committed to the spiritual as well as the academic and social development of individuals, a strong emphasis upon spiritual life and activities will be evident on this campus. The spiritual life and activities at Hannibal-LaGrange College are designed to accomplish two things: to minister to the spiritual needs of individuals and to provide individuals opportunities for Christian service on and off campus.

Many activities are available on and off campus to help students grow spiritually. Chapel programs are held each Wednesday at 10 a.m., and two multiday spiritual emphasis programs are presented each year. These feature notable guests who address issues and topics of concern to Christians today. On-campus students meet voluntarily on a regular basis for Bible studies and prayer times. Local churches also provide weekly worship, Bible study, and service opportunities.

Christian service opportunities include weekend ministry teams, mission trips during school breaks, student summer missions through various organizations, and local volunteerism.

Chapel Attendance

Chapel programs are held once each week and help define who we are and what we stand for as a Baptist, church-related, and evangelical institution of higher education. They provide a forum for corporate worship, spiritual encouragement, and educational and cultural enrichment for the HLG family. Distinguished visitors—speakers, musicians, and other outstanding persons—are guest presenters for most of these programs.

Policies concerning required attendance, exemption, and absenteeism are found in the Student Handbook. Students are responsible to be knowledgeable of these policies.

Church Attendance

Churches representing numerous denominations are available in Hannibal. Students are encouraged to attend the church of their choice.
