## Expenses ♦ 2007-2008

The college reserves the right to adjust or revise charges at any time. Students will be notified through the college course schedules.

As a private Christian institution of higher learning, Hannibal-LaGrange College strives to keep student expenses at a minimum and below the costs of many private institutions. This is made possible by the faithful support of the Missouri Baptist Convention, HLG alumni, and other friends of the college.

**Mabee Sports Complex**

The Mabee Sport Complex is available to students, along with their spouses and children, for recreational use on the following basis:

**Full-Time Students (12 hours or more):** Have the privilege of using the facility as a result of paying the full-time General Fee.

**Part-Time Students (less than 12 hours):** May obtain use by paying the full-time General Fee.

**Immediate Family Members:** Spouse and children have the privilege of using the facility if the student has paid the full-time General Fee. Family members may be required to

obtain a pass card from the director of the Mabee Sports Complex.

**Requirements for Entry:** (1) Each person having access to the facility must have and show an HLG ID card, or a pass card, to enter. (2) Children under the age of 12 must be accompanied by, and under the supervision of, an ID cardholder, 18 years of age or older.

### **Housing Deposit**

Students planning to live in campus housing must submit a deposit to the Office of Admissions in order to reserve housing. They are encouraged to submit the deposit when making application for admission.

Prior to enrollment, refund requests must be submitted in writing to the Vice President for Enrollment Management by July 1 for the fall semester and by December 1 for the spring semester.

Deposits are held for the duration of campus housing residency. When students release their housing for reassignment, they may apply for a refund by completing the Housing Deposit Return Application, which is available in the Student Affairs Office. This application must be submitted within one year after the housing is vacated.

Deposits will not be refunded to students who have an outstanding balance on their account. After one year, deposits will be forfeited or applied to the outstanding balance.

Any damage to housing due to abuse will be charged against the deposit.

### **Room and Board**

The charges for room and board are for actual academic sessions (fall and spring semesters) and do not include holidays—Thanksgiving, Christmas, Spring Break, and Easter—or the periods between sessions. Students who must remain in Hannibal during these times will be individually responsible for securing lodging off campus.

### **Payment of Accounts**

**ALL CHARGES FOR TUITION, FEES, AND ROOM AND BOARD ARE DUE AND PAYABLE IN FULL AT THE BEGINNING OF EACH ENROLLMENT TERM.**

Students who have not made arrangements for payment prior to the start of the academic year are not considered officially enrolled and are not eligible to attend classes or use college facilities or services.

### **Deferred Payment Plan**

The FACTS tuition payment plan is available to students who need help meeting their expenses. Payments may be made by automatic bank payment or by charging payments to Visa or MasterCard. Because FACTS is not a loan program, there is no debt incurred and there is no credit search. There is also no interest or finance charge assessed by FACTS on the unpaid balance. FACTS charges a \$25-per-semester or a \$45-per-academic-year nonrefundable enrollment fee to participate in the program.

To enroll in the FACTS payment plan, students who have access to the Internet may log onto HLG's Web site and use FACTS E-Cashier. The Web site is [www.hlg.edu/facts.htm](http://www.hlg.edu/facts.htm). Students who do not have Internet access, or who need additional assistance, may call the Student Accounts Office.

## Financial Aid

**Disbursements.** Financial aid cannot be disbursed or applied to a student's institutional charges by electronic funds transfer (EFT), by check, or by scholarship authorization until the student completes the enrollment process by reporting to the Student Accounts Office to sign a statement of charges. **If the financial aid award, excluding Federal Work-Study, exceeds the total charges for the semester, a refund will be made, but only after the funds have arrived on campus, have been applied to the student's account, and have caused a credit balance on that account.**

## Delinquent Student Accounts

Students with outstanding financial obligations may be prevented from taking final semester exams. Until all financial obligations are satisfied, transcripts and/or grades will not be released; a graduating student will not be allowed to participate in commencement exercises or receive a diploma. Financial obligations include, but are not limited to, student account balances, parking fines, library fines, and returned checks. **Students who owe the college for a previous semester will not be permitted to enroll for additional course work until bills are paid in full or satisfactory arrangements are made with the Business Office.**

The entire delinquent balance will become due and payable with an additional charge of 1¼% per month (15% annually) on the unpaid balance. Students with delinquent accounts must pay all attorney fees and reasonable collection costs and charges necessary for the collection of any amount not paid when due.

## Refund Policy

### Withdrawal from Courses

When students withdraw from a course and do not at the same time add another course with an equal or greater amount of semester hours of credit, the tuition refund will be calculated on the same percentage basis as when one withdraws from college. (Students who remain in the 12-17 credit-hour bracket with a flat-rate charge are *ineligible* for a refund.) Applicable scholarships will be handled on an individual basis. Students who must drop a course because of excessive absences, poor work, or similar causes, or who withdraw without notice, or who are suspended or asked to withdraw, are not entitled to a refund. **Failure to attend class or just simply notifying an individual instructor of a withdrawal from class will not be regarded as an official withdrawal.**

### Withdrawal from HLG

Students who find it necessary to withdraw from the college must apply directly to the Registrar's Office, where they will be given an official withdrawal form. For withdrawals to be valid, students must follow the procedures set forth on the form. Any claims for refunds will be based on the date when the form is completed.

**Cautions:** (1) Dropping out of classes without completing the official withdrawal form automatically earns a *grade of F* in each course. (2) **No refunds will be made in cases of disciplinary dismissal or suspension.**

**NOTE:** The HLG Refund Policy exists for calculating the refund of institutional charges. **If a student receives federal aid** other than Federal Work-Study, and if that student withdraws on or before the 60% point in time in the semester, the federal government dictates the amount of

Federal Title IV aid that must be refunded to the government by the school and the student. If HLC's Refund Policy returns a larger amount than that which is returned to the government, then the student may also receive a refund.

**Exception to Basic Refund Policy**

In the case of severe illness or similar circumstances beyond a student's control, the Business Manager may elect to refund tuition charges on a prorated basis, computed to the end of the week in which withdrawal takes place, but not beyond the 10th week of a regular semester or the comparable point during a three-week, four-week, or eight-week term, or other special-length academic terms.

**FINANCIAL AID**

---

Financial aid regulations are mandated by regulatory bodies and are subject to change. Students must abide by current regulations rather than by those in effect at the time of first matriculation or found in previous statements concerning

financial aid policies. In regard to financial aid regulations, the statements and information issued from the Financial Aid Office supersede all other sources and all other sections of the college catalog. For detailed information, review the *Satisfactory Academic Progress Statement* distributed to all students during the awarding of financial aid.

## General Information

The purpose of the financial aid program at Hannibal-LaGrange College is to provide financial assistance to students who without such aid would be unable to attend the college. Financial assistance consists of scholarships, grants, loans, employment, and special educational benefits. **Students who withdraw from classes and/or withdraw from the college may lose all of or a portion of applicable institutional and/or governmental aid.** For details on refunds (including the refund of Federal Title IV aid), see *Refund Policy*, above, or contact the Financial Aid Office.

Financial aid awards are made through the Financial Aid Office. Eligibility to receive financial assistance is based on information provided by the applicant on the FAFSA (Free Application for Federal Student Aid). For complete information on financial assistance, students may contact the Financial Aid Office or refer to the Student Guide published annually by the U.S. Department of Education that is available in the Financial Aid Office or at the local high school.

### Application Procedures for Students Applying for Loans, Grants, and Work Programs

- 1) Submit a FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) or secure a FAFSA paper packet from the HLG Financial Aid Office. FAFSA's can be submitted anytime after January 1 each year and should be completed as early as possible. List HLG as one of the possible colleges to which the FAFSA results will be sent. Online FAFSA's are usually processed in three to five business days; paper FAFSA's can take three to four weeks. A Student Aid Report (SAR) will either be sent electronically or mailed to the applicant. Calculations from the information provided on the SAR will determine the student's eligibility for other sources of aid, such as loans, grants, and Work-Study.
- 2) Contact the Financial Aid Office if there are questions about the financial aid package, after receiving the SAR and an award letter from HLG.

**Maintaining eligibility for financial aid assistance.** Federal- and state-funded financial assistance falls under the control and regulations of several governmental agencies. To maintain eligibility for financial assistance, the college is obligated to set standards for student attendance and satisfactory academic progress in keeping with the regulations set forth by these agencies. Students are obligated to maintain regular attendance and satisfactory academic progress in accordance with the standards set forth by the college. These are detailed in the *Satisfactory Academic Progress Statement*, which is sent to all financial aid recipients each year.

**Renewal and period of eligibility.** Scholarship renewal is conditioned on the student's maintaining an academic record in keeping with the standards set by the particular award. They are renewable as defined below for institutional aid and as described in the *Academic Progress*

*Statement for Federal and State Aid.* See requirements for the aid in question or see the Director of Financial Aid for assistance for federal and state aid.

Repayment begins nine months after the borrower graduates, withdraws from school, or falls below half-time enrollment. This loan can be applied for through the Financial Aid Office.

**Federal Stafford Loans:** Stafford Loans are low-interest loans made through lenders such as banks, credit unions, or savings and loan associations. First-year students may borrow up to \$3,500 per year; second-year students, up to \$4,500; third-year through fifth-year students, up to \$5,500. Repayment and responsibility for interest begin six months after the borrower graduates, terminates studies, or drops below half-time enrollment. The interest rate has a cap of 8.25% for new loans. Eligibility is determined by filing the FAFSA. These loans are processed through the Financial Aid Office and the lending institution of the student's choice.

**Federal Unsubsidized Stafford Loans:** These loans are the same as the Stafford except that the borrower is responsible for the accrued interest and that the repayment begins with the last disbursement, unless the borrower allows the interest to capitalize. They are processed through the Financial Aid Office and the lending institution of the student's choice. When added together, a Stafford Loan and an Unsubsidized Stafford Loan may not exceed the amounts shown above under "Federal Stafford Loans" for dependent students. Independent students may apply for

additional unsubsidized Stafford Loans, up to \$4,000 per year for first- and second-year students, and up to \$5,000 per year for third-, fourth-, and fifth-year students.

**Parent Loans for Undergraduate Students (PLUS):** PLUS loans enable parents of dependent students to obtain guaranteed loans at a variable interest rate. The interest rate has a cap of 9%. An eligible parent may borrow up to the cost of education per academic year on behalf of each dependent undergraduate student with no aggregate maximum. Repayment of the loan begins within 60 days after the loan is disbursed. Some deferment opportunities are available. These loans are processed through the Financial Aid Office and the lending institution of the student's choice. The lending institution will require the borrower to undergo a credit analysis as part of the approval process to receive a PLUS loan.
