Nursing skills labs are set up to simulate hospital rooms and include everything needed for patient care.

"I really wanted a Christian worldview for my education, and our professors do a great job of incorporating God into our studies and into our future practice as nurses."

Emma Schroeder
ASN '16, BSN '17

HLGU nursing students have the opportunity to work with missionaries in the Dominican Republic.

Programs

Practical Nursing (PN)

This four-days-a-week program prepares students to become LPNs in less than a year.

LPN to RN

This accelerated program allows LPNs to become registered nurses.

Associate of Science in Nursing (RN)

HLGU's ASN degree provides students with the knowledge and skills necessary for RN practice.

RN to BSN (Online Program)

RNs earn their bachelor's degree online in one year.

The PN Program exposes students to outstanding learning experiences with faculty who focus on student success.

"I can 110% tell you I was prepared for boards and for my job. As hard as it was at the time, I wouldn't have changed going to school with my HLGU family. They really make you a great nurse!"

Sarah Campbell
ASN '16
