Practices

Every minor must be provided with reasonable and appropriate supervision by an authorized adult while that minor is on campus.

Every program should establish security and emergency measures for minors, including but not limited to:

or guardian; and containment of minors in specified space during free time, mealtimes, or before the program begins);

- Where to go if lost;
- Steps to take in the event of an emergency on campus (i.e. fire, tornado, etc.).
- With prior written consent from the parent or legal guardian of a minor who drives him or herself to a program, such minor may be allowed to drive offsite during lunch time.
- At no time may an authorized adult leave a minor in the care of a person that is not an authorized adult or in an area that is off-limits to minors.
- Authorized adults may not release a minor under the age of 13 to anyone other than a custodial parent or legal guardian without written authorization from the parent/guardian that his/her child may be released to that individual.
- Restroom supervision for minors under the age of 13: Authorized adults will make sure the restroom is not occupied by suspicious or unknown individuals before allowing minors to use the facilities. Campers are expected to cooperate in the promotion of high moral ideals and are held responsible for all the standards. The camp director should then notify HLGU Camp Coordinator about any problems with the room. All campers, including authorized adults, are responsible to leave the room in the same condition as when they came. The organization sponsoring the camp may be held responsible for any damage done to the room.

Prior arrangements can be made with the HLGU Camp Coordinator for belongings to be temporarily stored in the lobbies of residential halls.

Each camp is responsible for each key and scan card issued to campers, authorized adults, and minors. Replacement of any lost or damaged keys and/or scan cards will be the responsibility of the organization contracted with HLGU. The organization sponsoring the camp may be held responsible for any lost or damaged keys or scan cards.

A room search for security or regulatory purposes may be made only by authorization from the HLGU Camp Coordinator or Director of Public Safety

Residence halls are equipped with kitchen and laundry facilities. Use of these facilities should be requested from the group's camp director. Campers assume responsibility for cleaning of the facilities when finished. The kitchen should be cleaned after every use. If the kitchen is not kept clean, it will be closed. It is suggested clothes not be left unattended in the machines or the laundry area. Clothes left in the laundry areas and machines overnight will be picked up and turned into lost and found. Tennis shoes should not be placed in the dryer late at night or early in the morning.

level at all times (not just during quiet hours). A request can be made with the HLGU Camp Coordinator to extend these hours for a camp sponsored event.

Crimes should be reported to the department of public safety to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community when appropriate.

Public Safety Authority and Jurisdiction

Hannibal-LaGrange University Department of Public Safety officers have the authority to ask persons for identification and to determine whether individuals have lawful business at HLGU. Unarmed public safety officers do not possess arrest power. Criminal incidents are referred to the local police who have jurisdiction on the campus. The HLGU Department of Public Safety maintains a highly professional working relationship with the Hannibal Police Department and Marion County Sheriff Department. All crime victims and witnesses are strongly encouraged to immediately report the crime to the HLGU Department of Public Safety and the appropriate police agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

Sexual Misconduct Policy

This policy applies equally to all members of Hannibal-LaGrange University; students, staff, faculty, contract employees, volunteers and visitors.

The University is committed to providing an institutional environment where all persons may pursue their studies, careers, duties, and activities in an atmosphere free of threat of unwelcome and unwanted sexual actions. It strongly condemns sexual offenses, will not tolerate sexual offenders, and supports those who have been victimized.

Sexual misconduct includes the attempt or act of rape, forced sodomy, or any other sex offense as listed in RSMo 566.010 – 566.130. <http://www.moga.mo.gov/>

The above acts constitute sexual assault when they are committed against a person's will as evidenced by refusal of consent or through the use of force, threat, manipulation, or intimidation, or against a person who, by virtue of mental incapacity or physical helplessness, is unable to give or withhold consent. This includes, but is not limited to, incapacity or helplessness caused by alcohol or other drugs. Intoxication of the assailant shall not diminish the assailant's responsibility for the sexual misconduct.

The University will respond promptly, fairly, and decisively to all reports of sexual misconduct. Members of the University community accused of sexual misconduct will be subject to University disciplinary procedures when the alleged incident has occurred on-campus or when the incident has occurred off campus and materially affects the learning environment or operations of the university.

Sexual assaults are serious violations of the University's student judicial code, faculty standards, and University employee policies. Sexual assaults are crimes under state law and punishable by fines and/or imprisonment. In addition, these actions are subject to civil suit for damages.

Hannibal-LaGrange University is compliant with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (The Clery Act) as amended in 1998, which requires all post-secondary institutions to publish and distribute certain information regarding campus crimes, including reports of campus assault, sexual assault polices and security programming to all current students, employees, and applicants who so request.

Hannibal-LaGrange University shall make 24 hour assistance available to those who have been affected by sexual misconduct through the office of student life or office of human resources.

This sexual misconduct policy was reviewed by the Clery/VAWA committee and approved by the Hannibal-LaGrange University Executive Cabinet. For more information on sexual assault or this policy contact the office of student life, office of human resources, or the department of public safety.

Missing Camper Notification Policy

This policy establishes a framework for cooperation among members of the University community aimed at locating and assisting students who are reported missing. When an on-campus residing student is reported absent from the University for more than 24 hours without any known reason, HLGU's Public Safety should be notified immediately. Upon notification, HLGU's Public Safety will investigate each report and make a determination whether the student is missing in accordance with the missing student policy. If a missing student is under 18 years of age, and not an emancipated individual, the University is required to notify a custodial parent or guardian of the missing student no later than 24 hours after the determination by public safety that the student is missing. HLGU's Public Safety will also notify the Hannibal Police Department no later than 24 hours after it determines that the student is missing, even if a student has not registered a contact person.

Any missing campers (minors or authorized adult) will be reported to the HLGU Camp Coordinator and Department of Public Safety **573-248-6268** as soon as it is found that the camper is missing.
