

Online Students Physical Location

All online students at HLGU must report where they are located when they take an online class at Hannibal-LaGrange University (HLGU). This cannot just be their physical residence. HLGU belongs to NC-SARA. This organization allows HLGU to work in 49 approved states in the United States of America. For more information about NC-SARA, please go to <https://www.nc-sara.org/about-nc-sara>.
