- Live and on demand features will be available
- HLGU will continue to offer this service free of charge at [hlgtrojans.com](http://hlgtrojans.com)

\*All spectators will have a temperature screening and a general question of have you had any symptoms within the last 24 hours

\* We will continue to evaluate our spectator policy in accordance with the University's commitment in working with public health officials to monitor issues related to COVID-19 closely. We will adjust guidelines and protocols in an effort to effectively respond to the current pandemic and protect students, faculty, staff, and community members.
