

## Adventure Camp Descriptions

<p>Lego Nation</p> <p><b>Location: Partee</b></p>	<p>In this fun session, kids will research famous U.S. landmarks and build them using LEGO bricks. Working in teams, they'll use their creativity to construct the landmarks and place them on a large map. It's a great way to learn about history and geography while building with LEGO bricks!</p>
<p>Courtside Fun</p> <p><b>Location: Mabee Sports Complex</b></p>	<p>In this session, kids will have fun learning and playing two popular lifetime sports: pickleball and basketball! They'll spend time improving their skills in each sport and then put those skills to the test in friendly scrimmages. It's a great way to stay active, learn new games, and enjoy some healthy competition!</p>
<p>Behind the Curtain: Exploring Theater and Music</p> <p><b>Location: Roland Fine Arts Center</b></p>	<p>Join us as we take a behind-the-scenes tour of the theater, explore how lighting works, and learn about the magic of music, acting, and stage makeup. They'll get hands-on experience with the different elements that bring a performance to life, from acting on stage to creating special effects with makeup. This session is perfect for kids interested in the performing arts!</p>
<p>Exploring New Frontiers: STEM Adventures with Lewis and Clark</p> <p><b>Location: Carroll Science Center</b></p>	<p>Join Lewis and Clark's expedition through the uncharted Louisiana Purchase! Face rapids, mountains, and grizzly bears, build a keelboat, explore new creatures, and help map discoveries. This adventure blends STEM, art, and social studies. Sign up now and make history!</p>
<p>Creative Creations: Indoor &amp; Outdoor Art Adventure</p> <p><b>Location: Roland Fine Arts Center</b></p>	<p>Join us for a fun-filled indoor and outdoor art adventure where you will make your own multi-colored crayon, create a scratch art proof, develop a nature inspired sun print, and use your new crayon to produce an image inspired by textures. Artistic exploration awaits!</p>
