Based on a review of your 2025-2026 FAFSA by the U.S. Department of Education, the Financial Aid Office is required to verify Foreign Earned Income Exclusion reported to the Internal Revenue Service (IRS), under the 'Student Tax Return Information' or 'Parent Tax Return Information' section of your FAFSA. If you, your Parent, or Spouse reported an amount in the Foreign Earned Income Exclusion field on the FAFSA, then you will need to provide the Financial Aid Office the following documentation:

- ☐ Attach the 2023 1040 tax return with Schedule 1, or a 2023 IRS Tax Transcript. This will be used to verify the Foreign Earned Income Exclusion amount from the Federal Tax Return (IRS Form 1040, Schedule 1, Line 8d).
- ☐ Attach any foreign tax returns that were filed with a different country. The monetary values must be converted to US dollars.
- ☐ If you or your parent earned income outside the United States and are not required to file taxes in any country, please attach 2023-year end income statement, W-2 equivalent, from employer or other income documentation if available.

I certify that the information provided on this form and any attachments are true and correct.
