

Adventure Camp Descriptions

Courtside Fun: MORNING SESSION ONLY	In this session, kids will have fun learning and playing some popular lifetime sports including pickleball, disc golf, and basketball! They'll spend time improving their skills in each sport and then put some of the skills to the test in friendly scrimmages. It's a great way to stay active, learn new games, and enjoy some healthy competition!
Lego Olympiad: Building the Games	Go for the gold in this hands-on Lego challenge! In this session, kids will explore the history and excitement of the Olympic Games while designing and building Olympic-inspired creations. From torches and medals to arenas and events, they'll work in teams to bring the spirit of the Games to life. Creativity, teamwork, and a little friendly competition make this a winning adventure!
Zap Lab: Exploring Electricity and Magnets	Step into the Zap Lab and experiment with the invisible forces that power our world! In this session, kids will build simple circuits, test out magnetic fields, and discover how electricity and magnets interact to make everyday objects work. From glowing bulbs to spinning motors, they'll get hands-on with shocking discoveries that spark curiosity!
The Motion Commotion: Force & Motion Adventures	Get ready to push, pull, and zoom! In this session, kids will explore how things move by experimenting with ramps, rollers, and rockets. They'll investigate the forces behind speed, collisions, and flight, and then put their knowledge to the test with exciting STEM challenges. It's physics in action—full of motion, energy, and fun!
Inventor's Workshop: Engineering & Design	Calling all problem-solvers and builders! In this session, kids will enter the Inventors' Workshop to tackle real-world challenges using creativity, teamwork, and design thinking. They'll brainstorm, sketch, build, and test their own creations with everyday materials, learning how engineers turn big ideas into working solutions. Engineer it, test it, improve it—repeat!
Creative Creations: Indoor & Outdoor Art Adventure	Join us for a fun-filled indoor and outdoor art adventure where you will make your own multi-colored crayon, create a scratch art proof, develop a nature inspired sun print, and use your new crayon to produce an image inspired by textures. Artistic exploration awaits!
