

Master of Education Administration Admissions and Transfer Policies

Admission Requirements

Applicants to the Master of Education Administration (MEd) must meet the following requirements:

- Missouri early childhood, elementary, middle, secondary, or K-12 teacher certification.
- Official transcripts from each regionally accredited college or university attended showing completion of a baccalaureate degree in education with a minimum cumulative grade point average of 2.75 on a 4.0 scale. If GPA is lower than 2.75, a student will be conditionally admitted but must receive a "B" or higher in first three courses to continue in program.
- Official transcripts from each regionally accredited college or university attended, showing any previous graduate coursework (no grade lower than B accepted).

Transfer Policy

Credits will be accepted if they:

- Meet the core or program requirements, and
- Do not exceed 25% of the graduate program requirements.
