Spring 2016
ARCH Program

ACT with RESPECT and CARE for HEALTH

Hannibal-LaGrange University’s Department of Public Safety is dedicated to providing an educational environment free from violence and discrimination, guided by Christian values and respect for diversity, human rights, and student responsibility. The department of public safety provides comprehensive training to serve those members of the campus community affected by crime or violence. The ACT with RESPECT and CARE for HEALTH (ARCH) Program is the primary crime and violence prevention, and awareness program offered to members of Hannibal-LaGrange University.

The ARCH Program offers Christian based learning in preparing graduates for personal and career development and effectiveness. Students and employees of Hannibal-LaGrange University will explore the crucial concepts of crime prevention, partner violence, stalking, bystander empowerment, healthy relationships, reporting, and consent. Through this intervention training, members of the campus community can learn to overcome attitudes that can increase the likelihood of crimes and violence taking place. Overcoming attitudes such as "it's none of my business", or "someone else will take care of it" and recognizing the responsibility people have towards others is a primary goal of the ARCH Program.

The ARCH Program offers resources for counseling, advocacy, confidential services, and prevention opportunities, while working closely with the campus community on a collaborative response and policy development to crime and violence issues on campus.

The ARCH Program consists of four main functional areas;

Revised Spring 2016
Drug and Alcohol Abuse Prevention Program (DAAPP)
Hannibal-LaGrange University
2016

Introduction and Overview

The Drug-Free Schools and Campuses Regulations (34 C.F.R) of the Drug-Free Schools and Communities Act (DFSCA) require an Institution of Higher Education (IHE) such as Hannibal-LaGrange University (HLGU) to “certify that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs or alcohol by all students and employees on school premises or as a part of any of its activities” as well as distribute the program to all employees and students. The IHE must also conduct and prepare a biennial report “on the effectiveness of its alcohol and other drug (AOD) programs and the consistency of sanction enforcement” according to Education Department General Administrative Regulations (EDGAR) Part 86.100, Subpart B.

At a minimum, the IHE must annually distribute the following in writing to all students and employees:

I. Standards of conduct that clearly prohibit the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees;
II. A description of the legal sanctions under local, state, or federal law for the unlawful possession or distribution of illicit drugs and alcohol;
III. A description of the health risks associated with the use of illicit drugs and alcohol abuse;
IV. A description of any drug or alcohol counseling, treatment, or rehabilitation or reentry programs that are available to employees or students; and,
V. A clear statement that the institution will impose sanctions on students and employees and a description of those sanctions, up to and including expulsion or termination of employment and referral for prosecution, for violations of the standards of conduct or law (EDGAR Part 86 Subpart A 86.3).

HLGU DAAPP Mission, Purpose, and Objectives:

A. Mission Statement: The mission of the Drug and Alcohol Abuse Prevention Program (DAAPP) is to outline and describe the institution’s policies, procedures, and programs for all students and employees regarding drugs and alcohol in order to promote a safe environment for work and study.

B. Purpose: The purpose of DAAPP is to aid in the prevention of unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees and to promote healthy lifestyles.

C. Goals and Objectives:
   1. Review policies and procedures and make recommendations to applicable departments/areas.
      Objective: Review the alcohol and drug policy and sanctions in HLGU handbooks, catalogs, online resources, and printed material for any changes to meet new and current laws and guidelines.

   2. Education of students and employees
      Objective: Inform all students, employees, and volunteers of standards of conduct, disciplinary processes, and sanctions.

   3. Promotion of awareness and prevention
      Objectives: Offer effective prevention education and information which promotes healthier lifestyles. Provide drug and alcohol awareness information and materials which inform students and employees of the effects of alcohol on their health and mental wellbeing.
4. Dissemination and disclosure of information
   Objective: Make available student and employee handbooks and annual security reports (ASR) both online and in print (if requested).

5. Evaluation and review
   Objective: Annual review of programs and activities for effectiveness in accomplishing DAAPP goals and suggest changes to stay abreast of current trend and regulations.

6. Conduct Biennial review
   Objective: Determine program effectiveness and consistency of policy enforcement through quantitative and qualitative measures to identify and implement any changes needed.

I. Standards of Conduct

Introduction
Under the provisions of the Drug-Free Schools and Communities Act Amendments (DFSCA) of 1989, Public Law 101-226, all schools, colleges, and universities must implement and enforce drug prevention programs and policies as a condition of eligibility for federal financial assistance. The law further requires the annual distribution of written policies to each enrolled student and employee. Specific sections of that policy, which apply to faculty, staff, and students are included here (34 C.F.R. 86.100).

Employees

Policy on Alcoholic Beverages

Consistent with our Baptist heritage, Hannibal-LaGrange University takes a position of abstinence regarding the use of alcohol. The employee will be subject to disciplinary action if behavior is found to be inconsistent with the stated policy of the University. The University alcohol policy prohibits consumption, possession, or distribution of alcoholic beverages on campus and at off campus university sponsored functions or while representing the University by employees, students or their guests. It is unacceptable for any employee to put him or herself or others in harm’s way while under the influence of alcohol and/or violate established legal standards. Employees in such condition are encouraged to seek help from university officials but are still subject to disciplinary action.

The consumption, possession, or distribution of alcoholic beverages on campus and at off campus University sponsored functions or while representing the University by employees, students or their guests is strictly prohibited. Any employee appearing on campus or at any University sponsored function under the influence of intoxicating beverages will be subject to disciplinary action. Hannibal-LaGrange University will cooperate fully with local law enforcement in the investigation and prosecution of any crime associated with the alcohol infraction.

- An intoxicating beverage is defined as any drink or consumable product containing alcohol, including simulated beer products that contain small amounts of alcohol.
- Powdered alcohol also known as “Palcohol” is considered an alcoholic beverage whether it is mixed with liquid or in its original powdered state.

Policy on Illegal Drugs

The use of illegal drugs at Hannibal-LaGrange University will not be tolerated. The purchase or unlawful manufacture, use, possession, dispensing or distribution of illegal narcotics, hallucinogenic, amphetamines, sports enhancement or controlled substances (as defined by Missouri statutes) or controlled medications without a doctor’s prescription or non-prescription hallucinatory drugs (e.g., K2 and Spice) or hosting gatherings where such substances are used, is prohibited on any property or in any facility owned or controlled by HLGU.

A drug screening analysis may occur when, at the University’s discretion, there is reasonable suspicion that the University’s policy on illegal drugs is or has been violated. Reasonable suspicion includes any act, factor or
information which may be indicative of potential violation of the University’s policy on illegal drugs, including, but not limited to:

- Reported information of violation of the University’s policy on illegal drugs
- Unexplainable incoherent behavior
- Repeated tardiness or absenteeism from work
- Drug-related odors on person, clothing, or equipment
- Information of affiliation with others believed to have violated the University’s policy on illegal drugs
- Possession of drug paraphernalia
- Previous positive drug screen results
- Being cited for or convicted of substance abuse violations by University or municipal authorities
- Observable phenomena, such as direct observation of substance abuse or physical symptoms or manifestations of being impaired due to substance abuse
- Reported substance abuse or use from any source

Controlled Substances

Hannibal-LaGrange University cooperates with local, state, and federal officials regarding the use of controlled substances. Because the use of drugs harms the user physically and mentally, interferes with the user’s ability to carry on his or her work and social life, and infringes upon the social and academic rights of others, Hannibal-LaGrange University will not tolerate and strictly prohibits any use, possession, or distribution of narcotics, illegal drugs, chemicals, and/or related paraphernalia. A medical use of drugs is permitted when prescribed by a physician. Violation of this policy may result in immediate required counselling or termination.

The possession, sale, manufacture, or distribution of any controlled substance is illegal under state and federal laws. Such laws are strictly enforced by HLGU and the Hannibal Police Department. Violators are subject to University disciplinary action, criminal prosecution, and/or fine and imprisonment. Refer to Section II - Legal Sanctions.

Tobacco

HLGU is a tobacco free campus. Therefore the use or possession of tobacco anywhere on the campus of HLGU is prohibited. Electronic cigarettes and other nicotine dispensing devices are prohibited.

Discipline Policy

If it is alleged that an employee’s behavior is not consistent with the university’s standard of conduct for employees regarding abstinence from the use of drugs or alcohol, penalties ranging from a warning or reprimand to immediate termination may be imposed. Should an employee be sent to rehabilitation, that employee will be suspended without pay for a reasonable period of time while in the program. Discipline for violations of the alcohol, illegal drugs or controlled substance policies can be found in Section V – Disciplinary Sanctions.

Students

Policy on Alcoholic Beverages

As a Christian university supported by the Missouri Baptist Convention, HLGU takes the position of abstinence from the use of alcoholic beverages both on and off campus. The University alcohol policy prohibits consumption, possession, or distribution of alcoholic beverages on or off campus. Whether a student has violated this policy’s prohibition against use of alcohol or illegal drugs may be determined by circumstantial evidence such as the aroma or smell of alcohol or drugs, either in the room or on the student’s person, or conduct suggesting that the student is under the influence of such substances. In addition to being considered a violation of the Standard of Student Conduct, Missouri state law prohibits any person less than 21 years of age to possess and/or use alcoholic beverages.

Violation of this policy may result in any sanction deemed appropriate by the University, including, but not limited to, fines, required participation in a drug or alcohol treatment or rehabilitation program (at the student’s expense),
suspension, or expulsion. HLGU reserves the right to refer any violation of the law to the proper law enforcement authorities.

If a student feels they have a drug or alcohol dependency, they may seek help and direction from student life staff without fear of retribution. Alcohol and drug dependency does not give students an excuse to violate the University’s alcohol and drug policy.

**Policy on Illegal Drugs**

The use of illegal drugs at HLGU will not be tolerated. The purchase or unlawful manufacture, use, possession, dispensing or distribution of illegal narcotics, hallucinogenic, amphetamines, sports enhancement or controlled substances (as defined by Missouri statutes) or controlled medications without a doctor’s prescription or non-prescription hallucinatory drugs (e.g., K2 and Spice) or hosting gatherings where such substances are used, is prohibited on any property or in any facility owned or controlled by HLGU.

A drug screening analysis may occur when, at the University’s discretion, there is reasonable suspicion that the University’s policy on illegal drugs is or has been violated. Reasonable suspicion includes any act, factor or information which may be indicative of potential violation of the University’s policy on illegal drugs, including, but not limited to:

- Reported information of violation of the University’s policy on illegal drugs
- Unexplainable incoherent behavior
- Repeated tardiness or absenteeism from class
- Drug-related odors on person, clothing, or equipment
- Information of affiliation with others believed to have violated the University’s policy on illegal drugs
- Possession of drug paraphernalia
- Previous positive drug screen results
- Being cited for or convicted of substance abuse violations by University or municipal authorities
- Observable phenomena, such as direct observation of substance abuse or physical symptoms or manifestations of being impaired due to substance abuse
- Reported substance abuse or use from any source

**Controlled Substances**

Hannibal-LaGrange University cooperates with local, state, and federal officials regarding the use of controlled substances. Because the use of drugs harm the user physically and mentally, interferes with the user’s ability to carry on his or her work and social life, and infringes upon the social and academic rights of others, Hannibal-LaGrange University will not tolerate and strictly prohibits any use, possession, or distribution of narcotics, illegal drugs, chemicals, and/or related paraphernalia. A medical use of drugs is permitted when prescribed by a physician. Violation of this policy may result in immediate required counselling or termination.

Hannibal-LaGrange University takes the position of abstinence regarding the use and/or possession of illegal or controlled substances. HLGU employees and students are prohibited from using and/or possessing any illegal or controlled substance unless prescribed by a physician. The actions of HLGU are not based upon, or in any way limited by, the actions, or lack thereof, of the legal system.

The possession, sale, manufacture, or distribution of any controlled substance is illegal under state and federal laws. Such laws are strictly enforced by HLGU and the Hannibal Police Department. Violators are subject to University disciplinary action, criminal prosecution, and/or fine and imprisonment. Refer to Section II - Legal Sanctions.

**Tobacco**

HLGU is a tobacco free campus. Therefore the use or possession of tobacco anywhere on the campus of HLGU is prohibited. Electronic cigarettes and other nicotine dispensing devices are prohibited.
Discipline Policy

If it is alleged that a student’s behavior is not consistent with the university’s standard of conduct for students regarding abstinence from the use of alcohol, illegal drugs, controlled substances or tobacco, penalties ranging from a warning, reprimand, probation up to suspension may be imposed. Discipline for violations of the alcohol, illegal drugs, controlled substance or tobacco policies can be found in Section V – Disciplinary Sanctions.

II. Legal Sanctions

HLGU reserves the right to refer any violation of the law to the proper law enforcement authorities. If a student feels they have a drug or alcohol dependency they may seek help and direction from the student life staff without fear of retribution. If an employee feels they have a drug or alcohol dependency they may seek help and direction from the office of human resources. Alcohol and drug dependency does not give students or employees an excuse to violate the University’s alcohol and drug policy.

Local, State and Federal Legal Sanctions – Laws Governing Alcohol

The State of Missouri sets 21 as the minimum age to purchase or possess any alcoholic beverage. Specific ordinances regarding violations of alcohol laws, including driving while intoxicated, are available from the Hannibal Police Department. Hannibal City Ordinances

All students are expected to abide by the laws of the local, state, and national government and are subject to judicial action at the hands of the University and/or law enforcement agencies. Formal charges, complaints, or indictments by governmental entities are not prerequisites for University action. In all cases of violation of University rules and regulations, or actions in violation of local, state, and federal laws, Hannibal-LaGrange University reserves the right to proceed with its own disciplinary action independent of governmental charges or prosecution.

B. Federal – Appendix – Figures 3 and 4

Federal law provides criminal and civil penalties for unlawful possession or distribution of a controlled substance. Under the Controlled Substance Act, as well as other related federal laws, the penalties for controlled substance violations include, but are not limited to: incarceration, fines, potential for the forfeiture of property used in possession, or to facilitate possession of a controlled substance (which may include homes, vehicles, boats, aircrafts and any other personal or real property), ineligibility to possess a firearm, and potential ineligibility to receive federal educational benefits (such as student loans and grants).
III. Health Risks

According to the National Institute of Drug Abuse (NIDA), the following are risks associated with drugs and alcohol abuse.1

1 Information regarding health risks associated with drug abuse was obtained from the National Institute of Drug Abuse (NIDA) website at: Drugs of Abuse (website last visited on 4/6/16.)

A. Drug Abuse

The following is a list of the most frequently used drugs and the risks associated with their use.

1. **Cannabinoids** (marijuana & hashish)
   - Known risks are “cough, frequent respiratory infections, possible mental health decline, and addiction.”

2. **Opioids** (heroin & opium)
   - Known risks are “constipation, endocarditis, hepatitis, HIV, addiction, and fatal overdose.”

3. **Stimulants** (cocaine, amphetamine & methamphetamine)
   - Known risks are “weight loss, insomnia, cardiac or cardiovascular complications, stroke, seizures, and addiction.” Specific risks associated with cocaine use include “nasal damage from snorting.” Specific risks associated with methamphetamine use include “severe dental problems.”

4. **Depressants** (barbiturates, benzodiazepines & sleep medications)
   - Known risks are “lowered blood pressure, slowed breathing, tolerance, withdrawal, addiction; increased risk of respiratory distress and death when combined with alcohol.”

5. **Club Drugs** (MDMA-methylenedioxy-methamphetamine [also known as: Ecstasy, Adam, clarity, Eve, lover's speed, peace, uppers]; Flunitrazepam [also known as: Rohypnol, forget-me pill, Mexican Valium, R2, roach, Roche, roofies, roofinol, rope, rophies]; GHB [also known as: Gamma-hydroxybutyrate: G, Georgia home boy, grievous bodily harm, liquid ecstasy, soap, scoop, goop, liquid X])
   - Known risks are “sleep disturbances, depression, impaired memory, hyperthermia, addiction.” Risks specific to GHB are “unconsciousness, seizures, and coma.”

6. **Dissociative Drugs** (Ketamine [also known as: Ketalar SV: cat Valium, K, Special K, vitamin K]; PCP and analogs [also known as: Phencyclidine: angel dust, boat, fog, love boat, peace pill]; Salvia divinorum [also known as: Salvia, Shepherdess's Herb, Maria Pastora, magic mint, Sally-D]; Dextromethorphan (DXM) [also known as: cough and cold medications: Robotripping, Robo, Triple C]).
   - Known risks are “anxiety, tremors, numbness, memory loss, and nausea.”

7. **Hallucinogens** (LSD [also known as: Lysergic acid diethylamide: acid, blotter, cubes, microdot yellow sunshine, blue heaven]; Mescaline [also known as: buttons, cactus, mesc, peyote]; Psilocybin [also known as: Magic mushrooms, purple passion, shrooms, little smoke])
   - Known risks are “flashbacks and Hallucinogen Persisting Perception Disorder.”

8. **Other Compounds** (Anabolic steroids [also known as: Anadrol, Oxandrin, Durabolin, Depo-Testosterone, Equipoise, roids, juice, gym candy, pumpers]; Inhalants [also known as: solvents (paint thinners, gasoline, glues); gases (butane, propane, aerosol propellants, nitrous oxide); nitrites (isoamyl, isobutyl, cyclohexyl): laughing gas, poppers, snappers, whippets])
   - Known risks for anabolic steroids are “hypertension, blood clotting and cholesterol changes, liver cysts, hostility and aggression, acne, (in adolescents) premature stoppage of growth, (in males) prostate cancer, reduced sperm production, shrunken testicles, breast enlargement, (in females) menstrual irregularities, and development of beard and other
masculine characteristics.” For inhalants, the known risks are “cramps, muscle weakness, depression, and memory impairment, damage to cardiovascular and nervous systems, unconsciousness, and sudden death.”

B. Prescription Drug Abuse
Commonly abused classes of prescription drugs include opioids (for pain), central nervous system (CNS) depressants (for anxiety and sleep disorders), and stimulants (for ADHD and narcolepsy). The use of prescription medications by anyone other than the prescribed individual is illegal and dangerous.
- Known health risks for inappropriate or illegal use include those listed above for these drug categories.

C. Nicotine Abuse
Nicotine can be found in cigarettes, cigars, bidis, and smokeless tobacco (snuff, spit tobacco, chew).
- Known health risks include chronic lung disease, cardiovascular disease, stroke, cancers of the mouth, pharynx, larynx, esophagus, stomach, pancreas, cervix, kidney, bladder, and acute myeloid leukemia; adverse pregnancy outcomes, and addiction.

D. Alcohol Abuse
“Alcohol affects every organ in the drinker's body and can damage a developing fetus. Intoxication can impair brain function and motor skills; heavy use can increase risk of certain cancers, stroke, and liver disease. Alcoholism or alcohol dependence is a diagnosable disease characterized by a strong craving for alcohol, and/or continued use despite harm or personal injury. Alcohol abuse, which can lead to alcoholism, is a pattern of drinking that results in harm to one's health, interpersonal relationships, or ability to work.”
- Known health risks include increased risk of injuries, violence, fetal damage (in pregnant women), depression, neurologic deficits, hypertension, liver and heart disease, addiction, and fatal overdose.

V. Disciplinary Sanctions

A. Employee Discipline Sanctions

If it is alleged that an employee’s behavior is not consistent with the university’s standard of conduct for employees regarding abstinence from the use of drugs or alcohol, penalties ranging from a warning or reprimand to immediate termination may be imposed. Should an employee be admitted to a rehabilitation clinic, that employee will be suspended without pay for a reasonable period of time while in the program.

Employee penalties for alcohol, illegal drugs, controlled substances and tobacco are listed below; however, these are HLGU’s guidelines and may be subject to change depending on the severity of the offense.

Penalties for Violation of University DAAPP Policy – Employee Handbook

Categories of penalties can include but are not limited to the following:

Disciplinary Warning/Reprimand - An official statement filed on the employee warning report advising the employee that a violation has occurred, and that if immediate changes in behavior do not occur, the employee may face more severe action or possible termination. Rehabilitation services can/may be required (See Drug & Alcohol Programs & Resources in Section IV).

Disciplinary Probation/Suspension – A second official statement filed on the employee warning report advising the employee that a violation has occurred and immediate action is required. Hannibal-LaGrange will assist in any substance abuse problem that may arise. Referrals to community agencies, such as the Hannibal Council on Alcohol & Drug Abuse are available to any officer, employee, or student at Hannibal-LaGrange University. Penalties can include, but are not limited to, assigned counseling sessions, educational activities, and/or community service hours in the manner prescribed by the hearing officer or body. Employee will be required to complete a rehabilitation program at this level of infraction. Employee can/may be suspended without pay for a reasonable period of time while in the program. Failure to complete these assignments could result in further disciplinary action or possible termination.

Immediate Termination – An official statement filed on the employee warning report advising the employee that immediate termination has occurred. Immediate termination will indicate that the employee’s performance, work habits, overall attitude, conduct or demeanor became unsatisfactory based on violation of the University’s requirement to remain abstinent from the use of drugs or alcohol, or that the employee did not complete the required rehabilitation.

Employee may appeal a disciplinary sanction according to the appeals process in the Employee Handbook.
B. **Student Disciplinary Sanctions**

If it is alleged that a student’s behavior is not consistent with the university’s standard of conduct for students regarding abstinence from the use of drugs or alcohol, penalties ranging from a monetary fine to suspension/expulsion may be given.

*Student penalties for alcohol, illegal drugs, controlled substances and alcohol are listed below; however, these are HLGU’s guidelines and may be subject to change depending on the severity of the offense. Performance programs (i.e. athletics or departments) also can impose sanctions against students who violate their specific AOD policies. EDGAR Part 86.*

**Penalties for Violation of University DAAPP Policy**

Categories of penalties can include but are not limited to the following:

**Official Reprimand** - This sanction serves to inform the student that the incident reflects behavior unacceptable to the community and is inconsistent with HLGU’s regulations. The purpose of this sanction is to serve as a warning to the student that further violation is likely to result in more severe consequences which would become part of the student’s disciplinary records.

**Disciplinary Probation** - The imposition of this sanction affects the student’s good standing with the University for the duration of the probationary period. Further violations that occur during the probationary period are likely to result in suspension or dismissal. Students placed on the status of disciplinary probation are ineligible to represent HLGU in any University-sponsored activity. The director of student life or the dean of students will communicate with the affected student and with appropriate faculty/staff. The length of the probationary period imposed by the office of student life will depend on the nature of the violation and the time frame of the semester. Students will be required to complete an educational recovery program at this level of infraction.

**Probation with Suspended Imposition of Sentence** - This status enables an alternative recourse while stipulating that the student’s status will automatically be changed to probation following a second offense or failure to complete all sanctions. Students will serve community service hours and complete a mentoring program.

**Suspension** - For a fixed period of time students may not remain on or visit the campus. They may not participate in any academic or other activity of the college either on or off campus during the period of suspension. Other restrictions may be imposed on students serving suspension and are individualized to allow for the particular needs of students and/or University. Students may apply for re-admission to HLGU through the admissions committee after two consecutive complete semesters.

**Dismissal** - Students are denied the right of any academic or other activities of the University and become ineligible to return to Hannibal-LaGrange University.

**Institutional Scholarship Suspension** - Termination or reduction of institutional or athletic scholarships and aid for not less than one semester, including institutional aid given in the current semester.

*Students may appeal a disciplinary sanction according to the appeals process in the Student Handbook.*
VI. Dissemination of the DAAPP at HLGU

A. Employee Notification

Notification of the information contained in the DAAPP is distributed to all current employees of the University on an annual basis via an email and other documents, such as the employee benefits statement, employee handbook, required faculty/staff workshop, and the public safety annual fire and safety report. New employees also receive notification during their orientation process. The DAAPP is also available for review online. Consumer Disclosures / Drug and Alcohol Prevention Program

1. General policy and procedures
   - Three times per year through “Weekly Announcements” email
   - Work Place Answers Online Learning
   - Employee Handbook
   - New Employee Orientation
   - Annual Benefits Statement

2. Ongoing promotions and awareness
   - Department Meetings
   - HLGU Website and Social Media
   - Faculty/Staff Workshops
   - Public Safety Annual Fire and Safety Report
   - Chapel Services

3. Dissemination and disclosure of information
   - HLGU Email
   - HLGU Website and Social Media
   - HLGU Alert System

B. Student Notification/Education

Notification of the information contained in the DAAPP is distributed to all currently enrolled students each semester via email and the Student Handbook. The DAAPP is also available for review online. Public Safety / A.R.C.H. Program

1. General Policy and procedures
   - Work Place Answers Online learning
   - Student Handbook
   - New Student Orientation
   - Freshman Seminar
   - Resident Hall Meetings
   - Experience HLGU Days

2. Ongoing promotion and awareness
   - Material distribution
     - Printed materials are available in the L.A. Foster Student Center at all times
     - Electronic copies will be distributed throughout the year according to the monthly safety calendar.
   - Health Fairs
   - College Scope
   - Resource Guides/Cards
   - Poster Program
   - National and State Awareness Activities (drunk driving simulators, “beer goggles”, etc.)
   - Annual Fire Safety & Security Report
   - Email Announcements
   - HLGU Website and Social Media Pages
3. Dissemination and disclosure of information

- HLGU Email
- HLGU Website and Social Media
- HLGU Alert System
- Student Handbook
- Public Safety / A.R.C.H. Program
- Consumer Disclosures / Drug and Alcohol Abuse Prevention Program
- Annual Fire Safety and Security Report

Program outlines may change throughout the year due to new regulations or updated changes from the Biennial Review Committee. A complete program outline can be seen at the department of public safety in the L.A. Foster Student Center.

VII. Biennial Review Assessment

Hannibal-LaGrange University Drug and Alcohol Abuse Prevention Program (DAAPP) Review Committee is responsible for annual assessment of DAAPP. Assessments will included qualitative and quantitative methods to:

- Assess the effectiveness of the DAAPP
- Evaluate the consistency of sanctions imposed for violations of standards of conduct related to drugs and alcohol;
- Identify areas requiring improvement or modification.

The committee will collect data and responses from students, prospective students, and employees. The results of the review will be approved by the university’s chief executive and other appropriate officials.

The biennial review includes evaluation and assessment of three major areas:

A. Knowledge
- Primary – Pre/Post Survey
- Secondary – Distribution Schedule
- Primary Training – Quizzes
- Secondary Training – Survey/Comments Class/Course Discussion
- Primary Training – New Employee Orientation
- Secondary – Workplace Answers
- Exit Interviews
- Climate Survey
- Scanned Materials
- Online Learning Module
- Campus activity
- New Employee Orientation
- Workplace Answers
- Exit Interviews

B. Behaviors
- Primary – Pre/Post Survey
- Primary - Trend data
- Climate Survey
- Sanctions, Violations,
- Penalties, Effectiveness

C. Beliefs
- Primary – Exit Survey
- Secondary - Comments
- Graduating Student
- Employee Survey

VIII. Biennial Review Committee

The biennial review committee will made up of the following members:

- Dean of Students (Chairman)
- Student Life Office Manager (Secretary)
- Title IX Coordinator(s)
- Director of Public Safety
- Associate Dean of Academic & Career Services
- Staff Representative
- Vice President of Business and Finance
- Athletics Director
- Director of Student Life
- Director of Student Activities
- Faculty Representative
IX. Oversight Responsibility

The dean of students and the director of public safety shall serve as the main contacts and will have oversight responsibility of the DAAPP including, but not limited to: updates, coordination of information required in the DAAPP, and coordination of the annual notification to employees and students and the biennial review. The biennial review committee has been established to assist with these responsibilities. This team is responsible to the designated executive officio (V.P. Business & Finance) and provides a report to the executive cabinet annually.

The manufacturing, possession, sale, distribution and use of illicit drugs (i.e. controlled substance or imitation controlled substance) are prohibited by state law (195 RSMo.). Penalties for first time offense for a drug possession violation can range from a fine of $1,000 to life imprisonment. Other prohibited acts include possession with intent to use drug paraphernalia and advertising the sale of drug paraphernalia. The tables below give information on penalties and fines for specific drug crimes in Missouri (see 195.010 RSMo. For definitions and 195.017 RSMo. Crime Prevention and Awareness Program  
Hannibal-LaGrange University  
2016

The crime prevention program at Hannibal-LaGrange University is based on reducing or minimizing criminal opportunities whenever possible and encouraging students and employees to be responsible for their own security and the security of others. The distribution of crime prevention information and events on personal safety, theft prevention, by-stander Intervention, and sexual assault and violence awareness are the primary building blocks of this program.

Purpose:

The purpose of Hannibal-LaGrange Universities crime prevention programs are to maintain public awareness of crime on campus, provide preventive safety measures regarding both personal safety and property protection.

The goals and objectives:

1. Develop and maintain standardized, comprehensive crime prevention, victim services programs to provide a safe and secure campus that will create and maintain a feeling of safety and security for all.
2. Affording dignity and respect to every individual and maintain a cooperative relationship with all members of the campus community.
3. Provide crime prevention information and material to members of the campus community.
4. Develop and implement new and innovative crime prevention and awareness training programs.
The state of one’s mental health can influence the ways in which they look at themselves, their life and others around them. It also strongly influences an individual's potential for achieving their goals and is an important tool in obtaining and maintaining a feeling of well-being.

**Purpose:** Promote an understanding of mental health wellness and to encourage intervention whenever possible and to assist others before, during, and after a stressful event or an act which may put the individual in danger.

**Goals and Objectives:**

- Encourage campus residents to choose positive relationships and activities.
- Encourage bystander intervention when appropriate with other members of the campus community.
- Help individuals find support needed to maintain and promote mental wellness and healthy lifestyles both on campus and in the community.
- Promote healthy coping skills such as:
  - Stress management
  - Lifestyle behaviors (i.e. physical activity, writing, having a support network)
  - Setting realistic goals
Purpose: Provide training to members of the Hannibal-LaGrange Community designed to promote, create and maintain a safe and secure university environment for students, faculty, staff, and visitors by complying with applicable safety, health and environmental regulations, any laws and ordinances, and rules and regulations.

Goals and Objectives:

Provide training to employees to be in compliant with laws and regulation in the Jeanne Clery, Violence against Women, and Safe Schools Acts.

Provide information and training to students and employees on Hannibal-LaGrange University Policies and Procedures when applicable to Public Safety’s duties.

Provide training on fire safety and housing related safety training as requested.
