

Graduate & Online Division

Objectives for the HLGU Bachelor of Science in Nursing Major

Statement of Mission and Purpose:

The mission of Hannibal-LaGrange University is to provide an excellent education in both liberal arts and professional disciplines in a distinctively Christian environment that integrates Christian faith and learning in preparing graduates for personal and career effectiveness.

The mission of the Graduate and Online Division is to provide an excellent education that is accessible, innovative, and is offered in a distinctively Christian environment that integrates Biblical worldview and learning in preparing graduates for personal and career effectiveness.

The mission of Hannibal-LaGrange University Craigmiles School of Nursing is to achieve excellence in nursing education by maintaining high academic standards in a distinctively Christian environment. Such an environment encourages the highest development of the student intellectually, physically, socially, and spiritually.

Objectives for the Bachelor of Science in Nursing Major:

1. Synthesize knowledge derived from nursing, religion, biological, social, and behavioral sciences, humanities, and nursing theory into nursing practice.
2. Demonstrate nursing leadership behaviors and integrate leadership skills to impact healthcare organizations and management, while influencing healthcare policies and finance, and promote quality improvement processes into the provision of safe nursing care.
3. Apply effective critical thinking skills and decision-making processes based upon evidence-based practice, scholarly research, and dissemination.
4. Integrate innovative healthcare technologies, information management, and communication devices, in the delivery of high quality healthcare.
5. Apply effective communication techniques and collaborate with interdisciplinary healthcare providers to promote teambuilding and provide quality healthcare outcomes.
6. Assess the health of individuals, families, groups, communities, and diverse populations across the life span, with a focus on health promotion, disease prevention, illness care, restoration, rehabilitation, health counseling, education, and spiritual care.
7. Demonstrate a commitment to lifelong learning to promote personal and professional development by maintaining professional development through scholarly activities and maintaining clinical expertise.
8. Incorporate Christian worldview for delivering compassion, human dignity, ethical reasoning, altruism, equality, integrity, and culturally sensitive care to the meet the needs for diverse types of patients.

**Our purpose is to help you discover
God's purpose for your life.**
