NOTES:

¹ Courses may be required to be retaken if they were not completed within the past five years.

² All incoming students must take the Math Placement Exam. Results may indicate the need for additional math courses prior to admission.

³ May be taken during the summer term between the first and second years of the ASN program.

⁴ Required for all incoming Freshmen and transfer students with less than 24 hours of college credit.

⁵ Required for non-Missouri high school graduates.

This is a proposed guideline. Please check the catalog and see your advisor for your final degree requirements.
Hannibal-LaGrange University reserves the right to make changes to degree plans without advanced notice or obligation.
The student is responsible for understanding and completing all general education, degree, departmental and graduation requirements.
