

## **2020 Virtual Graduation Video Submission Guidelines**

We are currently seeking video submissions from graduates to include in two portions of our virtual celebration. If graduates would like to participate and be seen in the video, we will be taking video clip submissions from now until 11:00 PM on Thursday, April 30.

Graduates are encouraged to submit a 10-30 second video clip that could be used in the virtual celebration video.

We are seeking "Thank You HLGU" submissions where graduates can thank their friends, faculty members, coaches, staff, family members, etc. for their support in helping them achieve their degree.

- For more information on how to submit a Thank You HLGU video clip, graduates are asked to contact or text video submissions to student producer Emma Anderson at 573-489-4020, or Mrs. Jung at 573-719-4338

We are also seeking "What's Next for Graduates" submissions where graduates can submit a short video clip telling us what is next for them after graduation (wedding, new job, a move to a different city, graduate school, etc.)
