Once you click on a link, you will need to login

The screenshot shows a login form titled 'Login'. It asks the user to 'Please enter the following information:'. There are three input fields: 'Your Name' (with a placeholder 'Jma Student'), 'Campus ID Number' (with a placeholder 'A0000123456HLG'), and 'Enter your PIN:' (with a placeholder '1234 will appear as ****'). Below the fields, there's a 'Submit' button and a link for 'Forgot Your PIN?'. At the bottom, there are links for 'Avalon' and 'PIN Help'.

Enter your name, your student or employee ID # with HLG on the end and a PIN that you create the first time you login.

This is another screenshot of the login form, identical to the one above. It shows the 'Login' page with fields for 'Your Name', 'Campus ID Number', and 'Enter your PIN', along with a 'Submit' button and a 'Forgot Your PIN?' link.

Once you hit submit, it will take you to the database you have chosen.

The screenshot shows the EBSCOhost search results page. It has a header with 'New Search', 'Publications', 'Subject Terms', 'Images', and 'More'. Below this, there's a search bar with the text 'Searching: Academic Search Elite | Choose Databases'. The search results show 'christian' in the first field, 'colleges' in the second, and 'choosing' in the third. There are buttons for 'Search', 'Clear', and 'Add Row'. At the bottom, there are links for 'Basic Search', 'Advanced Search', 'Visual Search', and 'Search History'.
