Survey of HLGU Graduates Spring 2018-Spring 2022										
Academic Division	Major	The quality of the teaching was satisfactory.	The academic advising I received was satisfactory.	The courses in my major were appropriate in preparing me for employment or graduate school.	The knowledge and skills gained in my major were applicable to my employment or graduate studies.	The course content in my major was relevant and up-to-date.	The courses in my academic major supported HLGU's stated mission.	Graduates Average overall scores for majors related questions	Number of responses	
Total									566	
Average score all area		3.39	3.32	3.43	3.46	3.42	3.48	3.41	11.55
