

# 2026-2027 Verification Worksheet

## Federal Student Aid Programs

V1

Your Free Application for Federal Student Aid (FAFSA) has been selected by the Department of Education for verification. We are required by federal law to compare your application with information on this form and with 2024 federal tax information. If any items need to be corrected, the Hannibal-LaGrange Financial Aid office will submit the correction electronically to the Department of Education. Documents must be submitted within two weeks of the initial request to avoid delay in processing of your financial aid package. If you have questions, contact us at 573-629-3279. **Forms that are left blank or incomplete will delay your financial aid application.**

### A. Student Information

Last Name	First Name	M.I.	Student SSN or HLGU ID Number
Street Address			Date of Birth
City	State	ZIP code	Cell Phone Number

### B. Family Size

List the people in your household between July 1, 2026 to June 30, 2027. Attach a separate page if additional space is needed.

- Starting with the 2024-25 award year, family size is based on federal tax information (FTI) transferred directly from the IRS to the FAFSA via the FUTURE Act Direct Data Exchange (FA-DDX). This means the number of **dependents** in the family size is now based on the number of individuals who are claimed as dependents on either the applicant's (if independent) or parent's (if dependent) U.S. federal tax return.
- There may be situations where FTI has changed since the parent filed their tax return. FAFSA contributors are given the opportunity to manually update the family size indicated by FTI while filing the FAFSA, and those changes should be reflected here when listing the people here in your family size. Do not include unborn children in family size.
- You will be required to submit proof of support for anyone that is not an immediate family member.

#### Dependent Students **List below ALL people in your household.**

For a dependent applicant, include the parent, parent's current spouse, the student, the parent's dependent children (even if they live apart because of college enrollment), and other people living with the parent now. Include these dependent children and other people only if the parent will provide more than half of their support between July 1, 2026 and June 30, 2027 of the award year covered by the FAFSA.

#### Independent Students **List below ALL people in your household.**

For the independent applicant, include the student (and spouse), the student's dependent children (even if they live apart due to college enrollment), and other people living with the student now. Include these dependent children and other people only if the student will provide more than half of their support between July 1, 2026 and June 30, 2027 of the award year covered by the FAFSA.
