

Purchasing Courseware for Classes

Certain HLGU courses utilize courseware, which requires you to purchase a specific package in order to access online assignments, quizzes, exams, labs, et. To help you purchase the right package, please review the steps for your course:

BIO 254: Anatomy and Physiology I

This course utilizes McGraw Hill's Connect, which requires you to purchase access to this software rather than a standard textbook. Below are the steps to gaining access to your course assignments:

- On Canvas, click the McGraw-Hill Connect Link in the course navigation menu on the left side.
- Click Launch to start the registration process.
- Login to McGraw-Hill, either creating a new account with your school email or logging in with your existing email.
- Confirm your class.
- Purchase options:
 - Purchase directly from your Connect course at this stage (recommended)
 - Purchase an online access code from a third party and enter it here. (Make sure to purchase access to the specific ISBN listed in the syllabus.)
- After linking your account in this way, clicking on the Connect link will automatically bring you to your assignment homepage.

Courseware: Charles Welsh and Cynthia Prentice-Craver, *Hole's Human Anatomy and Physiology* (16th edition), McGraw-Hill, Boston, 2022. ISBN 13: 9781264262830
